SUMMARY

A motivated IT graduate specializing in Java development with strong skills in HTML, CSS, and JavaScript. Proficient in building responsive web applications and managing MySQL databases. Experienced in problem-solving and creating innovative solutions through Java programming. Eager to contribute expertise in a dynamic Java Developer role to drive impactful projects.

TECHNICAL SKILLS

Programming Languages: **Core Java, Html, Css, Javascript**
Framework: **Angular**
Database: **MySQL**
Tools: **Eclipse, VS code**

PROJECTS

Bank Application | Core Java, Mysql
- Developed a bank application with Core Java as the frontend and MySQL as the backend database.
- Implemented features for account creation, balance management, and transaction processing.
- Utilized JDBC for seamless data connectivity and secure database interactions.
- Enabled real-time transaction tracking and user authentication for enhanced security.
- Designed the application to be efficient and scalable, supporting a range of banking operations.

Weather App | Html, Css, Javascript
- Developed a responsive weather app using HTML, CSS, and JavaScript for real-time weather updates.
- Integrated a weather API to display current location-based temperature in Celsius and Fahrenhseit.
- Utilized geolocation to automatically detect user location for personalized weather data.
- Implemented dynamic data handling with JavaScript to enhance user interactivity.
- Designed with a user-friendly interface adaptable to various devices and screen sizes.

Pet Shop Management System| C# .net, Mysql
- Developed a Pet Shop Management System with a C# frontend and .NET backend, designed to streamline pet shop operations by automating inventory management, record-keeping, and resource utilization.
- Enhanced operational efficiency by reducing manual paperwork, minimizing errors, and providing pet shop owners with organized, accurate records.
- Contributed to improved customer experience and operational workflow within the pet care industry, demonstrating how technology can address evolving business needs.

EDUCATION

JSM College (Alibag, Raigad)   **2021 - 2024**
B.Sc. IT (Bachelor of Science in Information Technology)
CGPA: 7.28

Sarvajnik vidyamandir (Pen, Raigad)   **2019 - 2021**
HSC: 72.50 %

Private Highschool (Pen, Raigad)   **2018 – 2019**
SSC: 63.00 %
